MARISOL AND WARHOL TAKE NEW YORK
PÉREZ ART MUSEUM MIAMI - PAMM

Join us for a private tour - exclusive to Bal Harbour residents and guests - with PAMM Assistant Curator, Maritza Lacayo. *Marisol and Warhol Take New York* charts the emergence of Marisol and Andy Warhol in New York during the dawn of Pop Art in the early 1960's.

Marisol and Warhol Take New York explores the artists' parallel rise to success, the formation of their artistic personas, their savvy navigation of gallery relationships, and the blossoming of their early artistic practices from 1960 to 1968.

The exhibition features Marisol's work from major global collections, along with iconic works and rarely seen films and archival materials from Warhol's collection.
